## WORK EXPERIENCE

### Upwork — *Data Scientist*

JUNE 2020 - PRESENT

Freelancing on various projects involving data analysis, visualization, machine learning and deep learning.

### T-UK Innovation Center, Nairobi — *Data Scientist*

JANUARY 2019 - APRIL 2020

Oversaw data science and machine learning projects. Conducted training and mentored upcoming data scientists.

## EDUCATION

### Technical University of Kenya, Nairobi — *Degree*

SEPTEMBER 2015 - DECEMBER 2020

Bachelor of Technology in Technical & Applied Physics

### 10 Academy

JULY 2020 - OCTOBER 2020

Data Science.

### Udemy

JUNE 2020

Data Analysis & Visualization

## TECHNICAL SKILLS

Python

SQL

Machine Learning

Data Analysis

Data Visualization

Tableau

PowerBi

Pytorch

OpenCv

## LANGUAGES

English (Full Professional Proficiency)

Swahili (Full professional Proficiency)
